PUBLICATIONS

WrightHere: Supporting Children's Creative Writing with AI-Infused Interactive 3D Environment 🔗

Jaeryung Chung, Seon Gyeom Kim, Tak Yeon Lee.

2025 CHI conference on Human Factors in Computing Systems, Late-Breaking Work (CHI '25)

Grounded Generation of Embellished Bar Chart Ensuring Chart Integrity 🔗

Seon Gyeom Kim, Jae Young Choi, Phillip Y. Lee, **Jaeryung Chung**, Ryan Rossi, Jihyung Kil, Eunye Koh, and Tak Yeon Lee.

2025 IEEE Visualization and Visual Analytics (VIS '25)

Evaluating Visual Prompts with Eye-Tracking Data for MLLM-Based Human Activity Recognition 🔗

Jae Young Choi, Seon Gyeom Kim, Hyungjun Yoon, Taekyung Lee, Donggun Lee, **Jaeryung Chung**, Jihyung Kil, Ryan Rossi, Sung-Ju Lee, and Tak Yeon Lee.

2026 IEEE Pacific Visualization Conference (PacificVis '26)

PROJECTS

WrightHere [iF Design Award 2026 Winner] 🔗

2024 - 2025

Immersive writing system integrating Generative AI (text, image, 3D, audio) into interactive 3D environments **Project Lead**

Measuring Multimodal LLM Alignment with Human Emotion on Video Stimuli

2025

Research & Analytics: Understanding MLLM capability (digital) of predicting human emotion (physical world) **Team of 2**

Toward Inclusion Beyond Language: Proposing the Polylingual Co-Design Method

2025

A participatory workshop & co-design method: cross-cultural collaboration without shared language **Team of 4**

Evergrow [iF Design Award 2024 Winner]

2023

UI/UX Design: Financial-Technology app for empowering beginners to participate in stock management **Team of 5**

EDUCATION

Korea Advanced Institute of Science and Technology (KAIST)

Master's degree, Industrial Design

Feb 2025 - current

Daejeon, South Korea

Politecnico di Milano

Exchange Student: Design Engineering, Fashion Design, Designing and Testing for Inclusivity

Feb 2023 - Aug 2023

Milan, Italy

Korea Advanced Institute of Science and Technology (KAIST)

Bachelor's Degree, Industrial Design (Double Major: School of Computing)

2019 - 2024

Daejeon, South Korea

EXPERIENCE

KAI Inc. 24-28 employees, 4 organizational teams

CoS (Chief of Staff), Interaction Designer, Market Researcher, Global Marketer

Sep 2022 - Feb 2025

Daejeon, South Korea

- Leading App Launch Private Party with 300+ attendees at SXSW 2025 in Texas, U.S. 🔗
- Managing CES 2024 Booth with 200+ visitors for Mingle AI in Las Vegas, U.S.
- SNS marketing targeting Indonesia (Influencer marketing and content creation)
- Designing 3D emoji combination interaction & User research via target group interview

Com2uS Corporation 1500+ employees

Intern

- Creating Video Content for Marketing Team

Jan 2021 - Jun 2021

Seoul, South Korea

LANGUAGE AND TECHNICAL SKILLS

Languages: English (fluent), Korean (native), Chinese (elementary), Python, JavaScript, C#, Swift

Tools: Figma, Arduino, Adobe Creative Cloud (Illustrator, Premier Pro, After Effects, Photoshop), Unity

Soft Skills: Prototyping, data-driven analysis, qualitative research, user interview, content creation, presentation

HONORS & AWARDS

iF Design Award 2026 Winner	WrightHere (Software System and Application Branding), 2026
iF Design Award 2024 Winner	Evergrow: Investment Education Service (Mobile App), 2024
International Busan Design Award (IBDA)	Let's Mingle (Communication Design), 2023
International Leaders, Common Purpose	Leeds University - KAIST Leadership Program, 2022
Global Leadership Award, KAIST	Freshman Program Designer, 2022

ROLES

Student Vice President	School of Computing, KAIST	2021
Freshman Program Designer	Student Life Team, KAIST	2020-2021
